

In-House Clients

Re Legal is one of the leading specialist in-house legal recruitment agencies in the North. Our in-house clients cover all areas of commerce and industry as well as the financial organisations. We offer a bespoke recruitment service to commercial organisations helping them to make successful legal appointments across the whole spectrum of in-house vacancies from sole in-house legal counsel to large in house legal teams located across the North West, North East and Midlands. Our specialist consultants are all qualified lawyers with extensive knowledge and experience in the in-house legal market.

"Re Legal were professional, accurate and moved with astonishing speed to fill a difficult role. It's clear they know the market very well."

PayStream

"Re Legal found an opening for me where all other agents had failed. Not only was this down to their contacts but to their professionalism and willingness to follow their client's pace."

The Co-operative Financial Services

"Re Legal provide a great service. They are an efficient and incredibly friendly team who genuinely care about placing you in the right role."
